Introduction

Power exercised and scope

The Code of Practice for Trust Company Business (the **Code**) is issued by the Jersey Financial Services Commission (the **JFSC**) under powers granted to it by Article 19 of the Financial Services (Jersey) Law 1998, as amended (the **FS(J)L**). The Code has been prepared and issued for the purpose of setting out the principles and detailed requirements that must be complied with in the conduct of trust company business.

The Code applies to all persons registered by the JFSC under Article 9 of the FS(J)L to carry on trust company business as defined under Article 2(3) of the FS(J)L (a **registered person**).

Article 9 of the FS(J)L establishes threshold conditions that apply on an on-going basis – the fit and proper assessment – to registered persons, principal persons and key persons¹. This assessment process includes consideration of integrity, competence, financial standing, structure and organisation.

The JFSC has published a Policy Statement: Licensing Policy in respect of those that require registration under the FS(J)L Part 2 of which provides further information on the JFSC’s “fit and proper” assessment and paragraph 4.5 of which highlights the continuing nature of the fit and proper assessment. The Code assists the JFSC with its on-going consideration of the fitness and propriety of a registered person by setting out actions that the registered person must or must not undertake, which it can be assessed against.

Registered persons may, on written application, be permitted to enjoy amended requirements in respect of certain sections of the Code as set out in the Third Schedule.

Where the Code requires a registered person to provide information to the JFSC, such requirement is established in accordance with the powers provided by Article 8 of the Financial Services Commission (Jersey) Law 1998.

Registered persons are reminded of the provisions of Article 7 of the FS(J)L in respect of the prohibition of carrying on of unauthorised trust company business.

Arrangement of the Code

The Code provides enforceable requirements in the form of high level principles supported by detailed rules in the areas of corporate governance, conduct of business and prudential matters and are arranged under seven principles as described below:

The Principles

1. A registered person must conduct its business with integrity.
2. A registered person must have the highest regard for the interests of its customers.
3. A registered person must organise and control its affairs effectively for the proper performance of its business activities and be able to demonstrate the existence of adequate risk management systems.
4. A registered person must be transparent in its business arrangements.
5. A registered person must maintain, and be able to demonstrate the existence of, adequate financial resources and adequate insurance.

¹ *Registered person, principal person and key person* are defined in Article 1 of the FS(J)L and carry the same meaning in the Code.

6. A registered person must deal with the JFSC in an open and co-operative manner.
7. A registered person must not make statements that are misleading, false or deceptive.

Each section of the Code is designed to be understood by reference to its full text including any notes.

Compliance with the Code

The Code should be read by registered persons in conjunction with the FS(J)L and its subordinate legislation, together with any conditions attached to a registration held under the FS(J)L, and the relevant Handbook for the Prevention and Detection of Money Laundering and the Financing of Terrorism, issued by the JFSC (the **relevant AML/CFT Handbook**).

It is the responsibility of a registered person not only to comply with the Code, but also to implement such additional practices as it considers necessary for the proper management and control of its business. Where a registered person considers that it may not be able to achieve full compliance with the Code for a temporary period (for example, for a short period after first being licensed) it should, in advance, agree a plan of action (to include timescales) with the JFSC to bring itself into full compliance with the Code. In exceptional circumstances, where strict adherence to the Code would produce an anomalous result, registered persons may apply to the JFSC for a variance from the Code; this is in addition to those areas of the Code which specifically provide for a registered person to apply for a variance to the Code.

Where a registered person has subsidiaries or branches outside Jersey, or makes services or products available outside Jersey through brokers or other intermediaries, it must ensure, as far as possible, that the Jersey regulatory framework is applied to those subsidiaries or branches or observed by the brokers and other intermediaries. Where significant differences exist between the host jurisdiction and that of Jersey which would result in non-compliance with the Code; they must be brought to the attention of the JFSC for discussion and resolution.

Failure by a registered person to comply with the Code represents grounds for the JFSC to take regulatory action. Where the JFSC has reason to believe that at any time there has been a failure on the part of a registered person to comply with the Code, it may consider making use of its regulatory powers which, in serious cases, could include the revocation of the registration to conduct trust company business.

In addition, failure to comply with the Code may support a decision by the JFSC that, for example, continued non-compliance or other failure to remedy the circumstances giving rise to the breach may be addressed by the issue of a written direction under Article 23 of the FS(J)L. Such a direction might impose requirements on a registered person to do or not to do specified things, including the removal of specified individuals or the cessation of business. In appropriate circumstances a direction can be made public by virtue of Article 25(a) of the FS(J)L.

The JFSC also has the power under Article 21A of the Financial Services Commission (Jersey) Law 1998 to impose financial penalties for significant and material contraventions of the Code.

When considering a registered person's failure to comply with the Code the JFSC places emphasis on whether or not a registered person conducts its business with integrity and deals with the JFSC in an open and co-operative manner.

Whilst Article 19(3) of the FS(J)L provides that the contravention of the Code shall not of itself render any person liable to proceedings of any kind (excluding regulatory action that may be taken by the JFSC in response to a contravention) or invalidate any transaction, Article 19(4) provides that, subject to a condition of registration indicating that any part or parts of the Code are to be wholly or partly disregarded by a registered person, the Code shall be admissible in evidence if it appears to the court conducting the proceedings to be relevant to any questions arising in the proceedings and shall be taken into account in determining any such questions.

Where it appears to the JFSC that a person has failed to comply with the Code, it may issue a public statement under Article 25(b) of the FS(J)L.

In a number of places the Code requires the JFSC to be advised of a matter “in writing”. For the avoidance of doubt, a notification given by email, or by means of the JFSC’s online portal, will be considered by the JFSC to meet that requirement (unless the particular Code requirement specifies otherwise how a notification “in writing” must be given).

Revision of the Code

In accordance with Article 19(1)(b) of the FS(J)L the JFSC may, after consultation with such persons or bodies as appear to be representative of the interests concerned, revise the Code by revoking, varying, amending or adding to its provisions.

In July 2017 the JFSC published Consultation Paper No. 6, proposing a number of amendments to the Code and, in December 2017, published a feedback paper summarising respondents’ comments and the JFSC’s responses.

Rather than detail the amendments here, the JFSC has published a version of the Code that highlights the amendments applied.

Effective Date

This revised Code is effective from 21 March 2018 for all registered persons.

Any person that has made an application to the JFSC which is currently under consideration, should review the Code and contact the JFSC to discuss any areas where compliance on grant of registration may be an issue.

The Principles

1 A registered person must conduct its business with integrity.

1.1 Without limiting the scope of the above principle, a *registered person* must not:

1.1.1 act or refrain from acting; or

1.1.2 contract or have any other arrangement,

so as to avoid, or seek to avoid, any regulatory responsibilities it may have under the *Code* and the full legal consequences of not following them unless the *Code* expressly permits any such avoidance.

2 A registered person must have the highest regard for the interests of its customers.

- 2.1 A *registered person* must act with due skill, care and diligence to fulfil the responsibilities that it has undertaken.
- 2.2 Where a *registered person* is responsible for exercising discretion for or in relation to its *customers*, it must take all reasonable steps to obtain sufficient information in order to exercise its discretion or other powers in a proper manner.
- 2.3 A *registered person* must only exercise its power or discretion for a proper purpose and must be able to evidence, in writing, any decision made.
- 2.4 A *registered person* must ensure that adequate procedures are implemented to either: avoid any conflict of interest arising or, where conflicts arise, keep adequate records of such conflicts and address them by: disclosure; applying internal rules of confidentiality; declining to act; or otherwise as appropriate.
- 2.5 A *registered person* must transact its business (including the establishing, transfer or closing of business relationships with its *customers*) in an expeditious manner where appropriate.
- 2.6 Any delegation of duties or powers, whether by power of attorney, formal agreement or otherwise, must only be entered into with an appropriate person for a proper purpose. The *registered person* must:
- 2.6.1 ensure any delegation is for a specific purpose;
 - 2.6.2 where the delegation is irrevocable, include within the documentation either an expiry date, or a statement that the delegation will expire given specific circumstance(s) or action(s);
 - 2.6.3 where the delegation is revocable, include within the documentation an expiry date or a requirement that the relationship with the appropriate person is formally reviewed on a periodic basis;
 - 2.6.4 monitor the application of the power of attorney, formal agreement or other arrangement; and
 - 2.6.5 ensure that appropriate due diligence has been carried out on the delegatee.
- 2.7 A *registered person* must ensure that adequate procedures are implemented to ensure that detailed robust reviews are conducted at appropriate intervals in respect of the trust company business services, which it provides to its *customers*.

3 A registered person must organise and control its affairs effectively for the proper performance of its business activities and be able to demonstrate the existence of adequate risk management systems.

3.1 Corporate governance

- 3.1.1 A *registered person* must operate an effective corporate governance system that must include the following key elements:
- 3.1.1.1 Satisfy the *JFSC* it has an adequate regulatory span of control, at all times, appropriate to the nature of its business.
 - 3.1.1.2 Where a *registered person* is entitled to control *trust company business assets*, its regulatory span of control must comprise at least three appropriately skilled and experienced individuals.
 - 3.1.1.3 The relationship between the individuals must be such as to ensure they can all exercise independent judgement without duress or undue influence from one another.
 - 3.1.1.4 Responsibilities must be apportioned among a *registered person's* directors/partners, *key persons*, senior managers and employees in such a way that their individual responsibilities are clear.
 - 3.1.1.5 The business and affairs of a *registered person* must be adequately monitored and controlled at senior management and board level.
- 3.1.2 Specifically with respect to 3.1.1.1:
- 3.1.2.1 Those individuals comprising regulatory span of control must be actively involved in the day-to-day management of the business on a full time basis and be able to exercise executive powers on behalf of the *registered person*. Normally the individuals will be directors of the *registered person* however, any directors that are not actively involved, “non-executives”, or those who are not locally based, may not form part of the regulatory span of control of a *registered person*.
 - 3.1.2.2 As soon as a *registered person* becomes aware that the regulatory span of control requirement will not be maintained it must notify the *JFSC* in writing. In this respect where a *registered person* has the minimum individuals comprising regulatory span of control and one of those individuals is absent from the business for a substantial period of time, the *registered person* must contact the *JFSC* to discuss its proposed arrangements such that during this period, the business is managed and controlled by an appropriate number of locally based individuals.
 - 3.1.2.3 Where close family members are eligible to form part of the regulatory span of control only one member may be counted.
- 3.1.3 A *registered person* must have documented procedures sufficient to facilitate the effective management of risk by the board of directors and senior management.
- 3.1.4 All aspects of corporate governance arrangements must be subject to appropriately regular review to ensure their continuing adequacy in light of the

registered person's business activities and risk profiles, and include a periodic self-assessment, or external assessment, of the board's effectiveness.

Notes:

1. *Corporate governance is the system by which an organisation is directed and controlled. A corporate governance framework specifies the distribution of rights and responsibilities among different participants in the organisation and sets out the rules and procedures for making decisions. Risk management is an integral part of the corporate governance framework. In the context of Principle 3, "risk" refers to **all** the risks that a registered person faces, or may face, as a business enterprise.*
2. *Article 74(1) of the Companies (Jersey) Law 1991 states:
"A director, in exercising the director's powers and discharging the director's duties, shall –*
 - (a) *act honestly and in good faith with a view to the best interests of the company; and*
 - (b) *exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances."*
3. *The requirements set out under paragraph 3.1.1 deal with both financial resources and conduct of business issues referring as they do, to the management of the business of the registered person itself. As such, this is not a provision that directly governs, for instance, appropriate signatory arrangements for the execution of a specific transaction or exercise of a particular discretion.*
4. *In rare circumstances, and where a registered person requires "six-eyes", the JFSC may permit the inclusion of an individual who is actively involved in the day-to-day management of the business (a senior manager) when considering regulatory span of control. In this scenario, the JFSC will consider the fitness and propriety of the senior manager using the procedure established for considering principal persons and key persons. For the purpose of regulatory span of control, the JFSC views the senior manager as materially equivalent to a director and will hold them accountable for their actions.*
5. *For the purpose of 3.1.1.4, all individuals having up to date job descriptions may best evidence apportionment of responsibilities. However, the terms of reference relating to particular offices or committees, or Board resolutions, may also demonstrate apportionment of responsibilities.*
6. *The JFSC would expect the board of directors and/or management board of a registered person to, collectively, demonstrate appropriate qualifications, experience, competency and a broad, complementary skill set relevant to the business. In this respect reference to Table 4 Qualifications and Table 5 Qualifications as set out in the Guidance Note: Professional Qualifications (Trust Company Business) (the **TCB professional qualifications guidance note**) may be useful. Guidance notes are available from the [JFSC website](#).*
7. *For the purposes of 3.1.2.3 "close family" comprises spouses (including co-habitees), civil partners, children, dependants, parents, brothers, and sisters.*
8. *With respect to 3.1.2.2, the JFSC considers a period in excess of four weeks to constitute a substantial absence from the registered person.*

3.2 Internal systems and controls

3.2.1 A registered person must:

- 3.2.1.1 Operate robust arrangements for meeting the standards and requirements of the *regulatory framework*, including:
- 3.2.1.1.1 maintaining, and testing adherence to, policies and procedures covering the operation of the business;
 - 3.2.1.1.2 the appointment of a Compliance Officer;
 - 3.2.1.1.3 establishing effective *complaints* handling systems;
 - 3.2.1.1.4 adequate supervision of direct and indirect employees;
 - 3.2.1.1.5 documented systems, controls and procedures governing sole, dual or multiple authorisations for handling both the *registered person's* and *trust company business assets*, for reconciling movements in *trust company business assets*, and for guarding against involvement in financial crime (including the detection and prevention of money laundering); and
 - 3.2.1.1.6 ensuring that all transactions or decisions are appropriately authorised by persons with the requisite knowledge and experience to effect such transactions or make such decisions.

 - 3.2.1.2.3 its internal organisation;

- 3.3.1.1 Ensure its directors, partners, senior managers and all other employees are fit and proper for their roles.
- 3.3.1.2 Assess and monitor the working practices, competence and probity of its directors, partners, senior managers and other employees.
- 3.3.1.3 Obtain and retain documentary evidence, which is used by the *registered person* to assess, both initially and on an on-going basis, the competence of its employees. Evidence may include, but not be limited to:
- 3.3.1.3.1 employer references; and
- 3.3.1.3.2 with respect to *trust company business employees*, copies of documentary evidence of qualifications held, as appropriate.
- 3.3.1.4 Ensure that its *trust company business employees* collectively have a balance of qualifications necessary to fulfil their technical functions and suitable skills and experience to fulfil their non-technical functions.
- 3.3.1.5 Ensure the following competency levels are met, at all times:

- 3.3.1.5.1 75% of the Category A *trust company business employees* must be suitably qualified;
- 3.3.1.5.2 75% of Category A and B *trust company business employees* cumulatively must be suitably qualified; and
- 3.3.1.6 Notify the *JFSC* in writing if the percentage of suitably qualified Category C *trust company business employees* that are either qualified or in the process of studying towards a qualification contained in the *TCB professional qualifications guidance note* falls below 50%.
- 3.3.2 Where complex transactions are undertaken or complex structures are administered (either by the nature of the entity or the jurisdiction or the proper law or form of that entity), the *registered person* must consider requiring more specialised qualifications, experience and other competencies such that they can demonstrate that the *trust company business employees* are competent and adequately supervised.
- 3.3.3 Where a *registered person* wishes to request a variance to the professional qualifications requirements to recognise an alternative qualification, such a request must:
 - 3.3.3.1 be made in writing;
 - 3.3.3.2 include a description of the role of the individual;
 - 3.3.3.3 include an explanation as to why the *registered person* considers the alternative qualification to be appropriate for that *trust company business employee*; and
 - 3.3.3.4 include confirmation that a copy of the syllabus studied or equivalent is available to the *JFSC* on request.
- 3.3.4 Where a Category A, B or C *trust company business employee* is awarded a qualification other than by way of direct examination a *registered person* must notify the *JFSC* in writing.

Notes:

1. *Guidance as to the circumstances in which the JFSC will consider other written variance requests is provided in the TCB professional qualifications guidance note.*
2. *Trust company business employees include not only direct employees, but also indirect employees, such as temporary and contracted employees and other contracted service providers.*
3. *Paragraphs 3.3.1.1 and 3.3.1.2 above are subject to the Rehabilitation of Offenders (Jersey) Law 2001, which prohibits an employer requesting information from its employees and prospective employees about convictions that are “spent”. This general prohibition is subject to exceptions provided by the Rehabilitation of Offenders (Exceptions) (Jersey) Regulations 2002, as amended (the **Exceptions Regulations**).*
4. *Regulation 21 of the Exceptions Regulations permits a registered person, applicants and those intending to apply for registration to request information about all “relevant offences”, whether “spent” or not from employees holding certain positions and applicants for such positions. To be consistent with the Code, it is necessary for employers to make use of such exceptions when screening employees who are subject to these exceptions.*
5. *Tables 1 - 3 of the First Schedule identify three categories of employee; the category into which any individual falls being determined by the most “senior” role that*

employee performs. (For example, if an employee has substantially the role of a Category B employee but, rather than being “a decision taker” the employee is the “significant decision-taker for customer affairs”, then the employee would be regarded as a Category A employee).

6. *With respect to “suitably qualified”, this is determined by the category into which an individual falls and is detailed in Tables 1-3 of the First Schedule.*

3.4 Continuing professional development (CPD)

- 3.4.1 The onus is on each *registered person* to demonstrate the adequacy of its *CPD* regime.
- 3.4.2 *CPD* is a compulsory requirement for all *trust company business employees*. A *registered person* is required to maintain *CPD* records for all such employees (although it is permissible for a *registered person* to require its employees to keep their own records and account to the *registered person* on a regular basis).
- 3.4.3 A *registered person* is responsible for ensuring that *CPD* is appropriate for its *trust company business employees* and this consideration must take into account the employee’s job description and current role and duties and may include future development needs.
- 3.4.4 A *registered person* must ensure that Category A and B *trust company business employees* undertake a minimum of 25 hours per year of *CPD*. Category C *trust company business employees* must undertake 15 hours per year of *CPD*. For all categories of *trust company business employees*: a maximum of five hours *CPD* may be relevant reading.
- 3.4.5 Where a *registered person* is only registered to carry on Class O trust company business the minimum number of *CPD* hours is reduced to 15 hours per year.

Notes:

1. *It is recognised that some trust company business employees may be members of professional bodies that have their own CPD requirements as a condition of continued membership. In these circumstances, it is a matter for a registered person:*
 - (a) *firstly, to ensure that the necessary opportunity is given to such employees to enable them to comply with these professional requirements; and,*
 - (b) *secondly, to take a view on the extent to which such professional CPD is relevant to the registered person’s business and may therefore be counted towards the trust company employees’ work-related CPD.*
2. *It is expected that trust company business employees will achieve their CPD targets by adhering to the requirements of their own relevant professional body. However, where the relevant professional body does not prescribe how CPD should be achieved, there are a number of acceptable ways to attain the minimum CPD requirement, including, but not restricted to:*
 - (a) *studying for further qualifications;*
 - (b) *in-house training, seminars, conferences and product presentations;*
 - (c) *computer-based training;*
 - (d) *one-to-one tuition;*

- (e) *reading relevant professional and trade magazines;*
- (f) *personal structured study; and*
- (g) *attending external training courses.*

3.5 Compliance function, Compliance Officer, Money Laundering Reporting Officer and Money Laundering Compliance Officer

3.5.1 The senior management (most often the board of directors) of the *registered person* is responsible for ensuring that it has robust arrangements for compliance with the *regulatory framework*, these must include:

- 3.5.1.1 approval of a compliance policy;
- 3.5.1.2 establishment of a permanent and effective compliance function, whose responsibilities are formally documented;
- 3.5.1.3 assessment, on at least an annual basis, of the extent to which compliance risk is managed effectively; and

- 3.5.2.5 be able to devote sufficient time, and have sufficient resources, to discharge properly the responsibilities of the function, including implementation of the compliance policy.

3.5.3 The *registered person* must ensure that the Compliance Officer is responsible for:

- 3.5.3.1 ensuring appropriate monitoring of operational performances and managing regulatory and compliance risk within the *registered person*, which includes:
 - 3.5.3.1.1 monitoring that the internal policies and procedures are being consistently and effectively adhered to;
 - 3.5.3.1.2 assessing and recommending amendments to internal systems and controls as well as policies, and procedures to facilitate compliance with the *regulatory framework*; and

- 3.5.3.2 providing senior management and the board of directors of the *registered person* with regular written reports in respect of the *registered person's* compliance with the requirements of the *FS(J)L*, Orders (issued under the *FS(J)L*) and the *Code*; and

- 3.5.3.3 acting as the principal point of contact with the *JFSC* on day-to-day regulatory matters.
- 3.5.4 The Compliance Officer must:

- 3.5.4.2 be based in Jersey;
- 3.5.4.3 have sufficient experience and skills which includes, holding an appropriate compliance or other qualification or be studying towards such a qualification; and
- 3.5.4.4 have appropriate status and authority within the *registered person* to ensure that senior management and the board of directors of the *registered person* react to and determine whether to act upon his or her recommendations.
- 3.5.5 In the event that a Compliance Officer is temporarily unable to fulfil his/her responsibilities the *registered person* must:
- 3.5.5.1 notify the *JFSC*; **and**
- 3.5.5.2 designate an appropriately skilled and experienced alternate.
- 3.5.6 With respect to 3.5.5, notification to the *JFSC* must be made, in writing, as soon as the *registered person* becomes aware that the Compliance Officer will be temporarily unable to fulfil their responsibilities.

Notes:

1. *There is no specific requirement for a registered person to be subject to an internal audit review. However, the JFSC will recognise and take comfort from those registered persons that have effective internal audit controls, or where such functions are provided from elsewhere within a group.*
2. *It is a requirement of the Money Laundering Order that a registered person must appoint a Money Laundering Reporting Officer and Money Laundering Compliance Officer. The relevant AML/CFT Handbook sets out additional requirements for registered persons. The JFSC expects the Money Laundering Compliance Officer to form part of the compliance function.*
3. *The roles of Compliance Officer, Money Laundering Reporting Officer and Money Laundering Compliance Officer meet the definition of a key person, as defined by Article 1 of the FS(J)L: consequently, Article 14 of the FS(J)L applies.*
4. *The Compliance Officer, Money Laundering Reporting Officer and Money Laundering Compliance Officer may be the same person. It is also recognised that there may be registered persons where the compliance function is the Compliance Officer.*
5. *Where a registered person is a managed entity, it is acceptable for the managed entity to enter into an agreement with their manager for the provision of a Compliance Officer, a Money Laundering Reporting Officer and a Money Laundering Compliance Officer.*
6. *When considering a key person application, the JFSC will not only look at the suitability of the qualifications and experience of the applicant, but will also consider this in the context of the qualification and experience of the balance of the board and/or other key persons employed by the registered person.*

7. *With respect to 3.5.5 the JFSC considers a period of in excess of four weeks to constitute temporarily unable to fulfil his/her responsibilities.*

3.6 Complaints

- 3.6.1 A *registered person* must establish and maintain an effective *complaint* handling system and procedures and in particular must:
- 3.6.1.1 maintain adequate records of *complaints* against the *registered person*, including a central register that contains details of any agreed compensation or compromise;
 - 3.6.1.2 inform *customers* of how *complaints* may be made and how they may expect these to be responded to;
 - 3.6.1.3 handle *complaints* transparently, competently, diligently, and impartially;
 - 3.6.1.4 provide, in writing, within five business days, unless expressly agreed by the complainant to the contrary an acknowledgement that their *complaint* has been received and confirm that the *complaint* is being considered;
 - 3.6.1.5 keep the complainant informed about the progress of their *complaint*, including details of any actions being taken to resolve their *complaint*;
 - 3.6.1.6 advise the complainant in writing when the *complaint* is considered closed and where the *complaint* is not upheld, clearly state the reason(s) for rejecting the *complaint*;
 - 3.6.1.7 comply with the requirement of 5.2.9, in relation to determining whether a *complaint* gives rise to any notification requirement under its professional indemnity insurance policy; and
 - 3.6.1.8 consider the *complaints* data for patterns emerging.
- 3.6.2 As soon as it becomes aware, a *registered person* must notify the JFSC promptly, in writing, if:
- 3.6.2.1 a *complaint* is not satisfactorily resolved within three months of it being lodged;
 - 3.6.2.2 a pattern to *complaints* is identified; or
 - 3.6.2.3 any *complaint* results in a claim under the *registered person's* professional indemnity insurance policy.

Note:

1. *With respect to 3.6.2, "as soon as it becomes aware" applies from the point at which the registered person knows, or has reasonable grounds for believing, that any of the matters stated has occurred or may be about to occur, even where it is outside the control of the registered person.*

3.7 Record keeping

Note:

1. *This section explains the minimum standards of record keeping that are required in respect of a registered person's own business and the trust company business services that it is providing.*

All records

- 3.7.1 A *registered person* must ensure that it has appropriate record keeping arrangements for compliance with the applicable Laws (including *anti-money laundering legislation* and company legislation), Orders and regulatory requirements, set by the *Code* or the *relevant AML/CFT Handbook*.
- 3.7.2 A *registered person* is expected to maintain such books and records in a language understood by the employees of the business. These must be translated into English at the request of the *JFSC*. A *registered person* must be able to readily retrieve them in Jersey and, if kept otherwise than in legible form, maintain them so as to be readable at a computer terminal in Jersey so that they may be produced in legible form without delay.
- 3.7.3 A *registered person* must have a clearly documented policy and procedure regarding record retention that includes:
- 3.7.3.1 periodic review of the accessibility and condition of paper and electronic records;
 - 3.7.3.2 the adequacy of the safekeeping of records; and
 - 3.7.3.3 periodic testing of procedures relating to the retrieval of records.
- 3.7.4 A *registered person* that is ceasing to conduct trust company business is required to arrange appropriate record keeping arrangements as part of a cessation of business plan.

Business records

- 3.7.5 A *registered person* must maintain an audit trail of material changes to the policies and procedures manual that covers the operation of the *registered person*, which is updated as required. When updates are made, the effective date of such updates must be recorded and the superseded records maintained. This is especially true in respect of 3.2.1.1.1, 3.2.1.1.5 and 3.2.1.1.6.
- 3.7.6 The period for which business records must be kept is the later of:
- 3.7.6.1 the period required for any particular record by any law;
 - 3.7.6.2 the relevant AML/CFT Handbook; or
 - 3.7.6.3 where records relate to significant corporate governance matters, such as management meeting minutes and risk assessment matters, or are records relating to requirements established by the *Code* - ten years from the date of the record.

Customer records

- 3.7.7 A *registered person* is expected to keep adequate, orderly and up-to-date *customer* records which are in line with:
- 3.7.7.1 the requirements, including retention period, set for any particular record by any law; and

- 3.7.7.2 the requirements established by Part 4 of the *Money Laundering Order* and as set out in the *relevant AML/CFT Handbook*.
- 3.7.8 Where the *Code* requires *customer* related records to be kept, which are in addition to the records required by the *Money Laundering Order*, these must be kept for at least five years from the date of the event to which the record relates.
- 3.7.9 With respect to 3.7.7, if it is the case that the record retention periods differ, the *customer* records must be retained for the longest designated period.

Notes:

1. *The Code does not establish any retention requirements for tape recordings of telephone conversations.*
2. *With respect to 3.7.5, a change to the policies and procedures manual that necessitates communication to impacted staff is a material change.*
3. *With respect to 3.7.6.1, the JFSC considers that laws relating to companies, tax, proceeds of crime, and data protection may be relevant.*

4 A registered person must be transparent in its business arrangements.

- 4.1 A *registered person* must disclose on its stationery and advertising material that it is regulated by the Jersey Financial Services Commission.
- 4.2 A *registered person* must communicate with *customers* in a way that is adequate, fair and not misleading.
- 4.3 A *registered person* must be open and transparent about its fees and charges, in relation to the provision of trust and company services, including:
- 4.3.1 in advance of taking an appointment, reaching agreement on, and documenting, the basis for its fees and charges, including the ability to make changes to the basis for determining fees;
 - 4.3.2 disclosure of all fees and charges associated with the trust company service provided, as either a monetary or percentage figure, including, but not limited to, any:
 - 4.3.2.1 group related charges;
 - 4.3.2.2 commissions (both initial and recurring); and
 - 4.3.2.3 payments to or from third parties (such as introductory fees or commission sharing arrangements);
 - 4.3.3 the manner by which fees and charges will be collected, including whether agreed fees and charges will be deducted directly from the *customer's* assets without their prior approval – effectively a “no surprises” policy; and
 - 4.3.4 in relation to the termination of services, whether fees paid in advance are refundable in the event of termination.
- 4.4 A *registered person* must accurately record the basis of any charges in respect of time spent and disbursements and make the relevant records available to *customers* upon request.
- 4.5 A registered person must supply a person to whom it provides a service set out in Article 2(4) of the *FS(J)L* with confirmation, in writing, of the services that it is providing as well as a contract, agreement or other written form setting out its general and specific terms associated with providing those services (accepting in the case of Article 2(4)(h) of the *FS(J)L* that the identity and existence of a person to whom the service is provided will be dependent upon such terms and circumstances as might prevail at any particular point during the lifecycle of an express trust). This documentation must:
- 4.5.1 be distinguishable from marketing or promotional material;
 - 4.5.2 be consistent with the *Code*;
 - 4.5.3 be clearly expressed in plain language that only uses technical or legal terms where absolutely necessary;
 - 4.5.4 be provided prior to the provision of any trust company business service, except when it is impractical to do so, in which case the document shall be provided at the earliest available opportunity;
 - 4.5.5 explain whether the *registered person* is acting as a principal or as the agent of the person to whom the service is provided or any other person;

- 4.5.6 where the *registered person* holds *customer money*, set out the terms on which that money is held;
- 4.5.7 include all appropriate information relevant to the service that will be provided.

Notes:

1. *For the purpose of 4.1, the JFSC considers that, at a minimum, “stationery” includes: headed letter paper; emails sent in lieu of a letter; and facsimiles. The JFSC does not consider the following to be stationery unless they are quite clearly being utilised in lieu of a letter or as advertising material: text messages; account statements; business cards; and compliment slips.*
2. *If, in the case of any one customer or customers, it is impractical or inappropriate to provide the information required by paragraphs 4.3 directly, it would be sufficient in such instances for the registered person to ensure that the general basis for their charges, the ability to make changes to the basis for determining fees and a scale of charges, are available on request.*

5 A registered person must maintain, and be able to demonstrate the existence of, adequate financial resources and adequate insurance.

5.1 Financial resources

- 5.1.1 Where a *registered person* is a Jersey registered company that holds a registration to undertake deposit-taking business, and consequently provides the *JFSC* with a quarterly prudential report, the Adjusted Net Liquid Assets (**ANLA**) requirements set by the *Code* do not apply.
- 5.1.2 Where the *registered person* operates in Jersey as a branch of a legal entity registered outside Jersey that holds a registration to undertake deposit-taking business and its immediate home regulator applies Basel II prudential requirements or has implemented the 1997 Market Risk Accord then the *ANLA* requirements set by the *Code* do not apply. *Registered persons* to whom this paragraph applies must notify the *JFSC*, in writing.
- 5.1.3 Where a *registered person* is a 100% subsidiary of a Jersey incorporated company registered to carry on deposit-taking business it may apply to the *JFSC*, in writing, for a variance (exemption) from completing the *ANLA* calculation. Such a variance will only be considered if the deposit-taker provides a letter of undertaking, acceptable to the *JFSC*, in respect of providing financial support to the trust company.
- 5.1.4 A *registered person* must maintain:
- 5.1.4.1 a minimum of £25,000 paid up share capital (or evidenced *net assets* position for non-incorporated entities) and a minimum surplus of *ANLA* over the Expenditure Requirement in the ratio of 110% in accordance with the calculation set out in the Second Schedule; and
 - 5.1.4.2 a minimum *net assets* position of £25,000 at all times.
- 5.1.5 A *registered person* must immediately notify the *JFSC* in writing if the nominal value of fully paid shares is less than £25,000. Where the *registered person* has a combination of fully paid shares and share premium that exceeds £25,000 in total, the *JFSC* may deem the *registered person* to have satisfied the first part of paragraph 5.1.4.1.
- 5.1.6 A *registered person* must perform the calculation set out in the Second Schedule as appropriate to the business, but at least once every three months. In addition, the frequency of the calculation shall increase to monthly or other such period as the *JFSC* may determine, if either:
- 5.1.6.1 a *registered person's ANLA* falls below 130% of its Expenditure Requirement; or
 - 5.1.6.2 an event occurs which has a material adverse effect on the *registered person's* financial resources.
- 5.1.7 In respect of a *registered person* that is part of an affiliation:
- 5.1.7.1 each affiliation member must comply with the minimum share capital requirement and with the minimum *ANLA* requirement;
- OR

- 5.1.7.2 only the affiliation leader need comply with the minimum share capital and ANLA requirements provided that the affiliation leader is able to prepare consolidated financial information that enables it to perform, at least once every three months, the financial resource requirement calculation in respect of the affiliation in accordance with paragraph 5.1.4.1.
- 5.1.8 A *registered person* is required to immediately notify the JFSC in writing (in addition to any notification obligation under the FS(J)L or the Code):
- 5.1.8.1 if its ANLA falls below 130% of its Expenditure Requirement;
- 5.1.8.2 if its ANLA falls below 110% of its Expenditure Requirement; and
- 5.1.8.3 of any transaction or situation that appears not to be catered for in, or where the application of, the Second Schedule might give a misleading impression of the adequacy of the financial resources.
- 5.1.9 The JFSC may, on written application by a *registered person*, consider a variance to the notification obligation as stated in 5.1.8.1.
- 5.1.10 Where a *registered person* wishes to make an application for a variation to the treatment of assets, liabilities and/or expenditure items in the ANLA calculation this must be made in writing to the JFSC.

Subordinated Loans

- 5.1.11 On submission of a written request, by the *registered person*, the JFSC will consider granting consent to exclude a long term subordinated loan as a liability within the ANLA calculation. Any request must be accompanied by a signed consent request checklist and such consent is only likely to be granted where:
- 5.1.11.1 the subordinated loan is drawn up in accordance with the JFSC's proforma Subordinated Loan Agreement; and
- 5.1.11.2 the subordinated loan is made by an approved lender.
- 5.1.12 Specifically, with respect to the subordinated loan referred to in 5.1.11 the Subordinated Loan Agreement must be signed by authorised signatories of all parties to the agreement, and:
- 5.1.12.1 be for a fixed period of not less than two years; or
- 5.1.12.2 where no fixed term is cited, be subject to a minimum notice period of repayment of at least two years.
- 5.1.13 Where the JFSC has considered and granted a variance in respect of the treatment of a subordinated loan within the ANLA calculation, the amount deducted may not exceed the lower of:
- 5.1.13.1 the drawn down amount of the subordinated loan; and
- 5.1.13.2 four times the *net assets* position of the *registered person*, calculated using the *registered person's* latest audited financial statements.
- 5.1.14 The variance treatment for the subordinated loan will automatically fall away if either:
- 5.1.14.1 the *registered person* fails to comply with any of the requirements of the subordinated loan agreement, including the notification requirements; or
- 5.1.14.2 the subordinated loan repayment date falls due within one year.

- 5.1.15 In addition to being a signatory to the Subordinated Loan Agreement, the JFSC will place a condition on the *registered person's* registration, utilising Article 10 of the FS(J)L, requiring that they comply in full with the terms of the Subordinated Loan Agreement.

Notes:

1. *"net assets" is defined as total assets less total liabilities.*
2. *The JFSC has published a guidance note on the ANLA calculation which is available from the policy statements and guidance notes section of the JFSC website.*
3. *The proforma Subordinated Loan Agreement and consent request checklist are available from the JFSC website.*
4. *For the purposes of 5.1.11.2 an approved lender is:*
 - (a) *a financial service business as defined by Article 2 of the FS(J)L; or*
 - (b) *a financial service business regulated by a "relevant supervisory authority", as defined by Article 1 of the FS(J)L;*
 - (c) *a person that is registered by the JFSC to carry on deposit-taking business under Article 9 of the Banking Business (Jersey) Law 1991;*
 - (d) *a principal person of the registered person; or*
 - (e) *a person that does not meet any of the above criteria but whom has been specifically approved by the JFSC.*

5.2 Insurance Arrangements

- 5.2.1 A *registered person* must have and maintain adequate insurance cover at all times, commensurate with its business activities.
- 5.2.1.1 Such cover must include professional indemnity insurance (**PII**) extended to include fidelity guarantee and directors' and officers' insurance.
 - 5.2.1.2 *PII* cover and extensions must include negligence and errors and omissions by the *registered person* and employee dishonesty and must, where possible, extend to all territories from which the *registered person* conducts business.
 - 5.2.1.3 *PII* cover must be written on a "claims-made" basis including costs and expenses and, so far as lawful, must include:
 - 5.2.1.3.1 loss or theft of documents (liability and costs of replacement, restoration or reconstruction of data);
 - 5.2.1.3.2 self-employed or contract hire persons engaged in a *registered person's* business; and
 - 5.2.1.3.3 indemnity to employees, former partners, former employees and/or consultants.
- 5.2.2 Subject to 5.2.3, the minimum indemnity limit for any one claim and in the aggregate must be the greater of:
- 5.2.2.1 three times the amount of relevant fees and commissions;

- 5.2.2.2 thirty times the amount of relevant fees and commissions from the *registered person's* single largest *customer* (including all related *customers*); or
- 5.2.2.3 £5,000,000 (five million pounds sterling only).
- 5.2.3 A *registered person* shall not be required by virtue of 5.2.2 to have aggregate insurance cover exceeding £10,000,000 (ten million pounds sterling).
- 5.2.4 In the event that a *registered person's* aggregate level of *PII* cover is depleted as a result of a claim such that it is no longer sufficient to meet the requirements set out in 5.2.2, the *registered person* must obtain re-instated cover.
- 5.2.5 Any excess (or deductible) per claim on the policy must not:
- 5.2.5.1 exceed £20,000 (twenty thousand pounds sterling) or 3% of the annual relevant fees and commissions, whichever is greater; or
- 5.2.5.2 reduce the limit of indemnity payable under the policy.
- 5.2.6 In the case of an affiliation, it is the responsibility of the affiliation leader to demonstrate to the *JFSC* that the insurance cover maintained meets the requirements of paragraphs 5.2.1.1, 5.2.1.2 and 5.2.2. This may be achieved by:
- 5.2.6.1 each participating member of the affiliation complying with the *PII* requirements as though each member was a non affiliated person;
- 5.2.6.2 each participating member of the affiliation is named on a single *PII* policy, the extent of cover being determined in accordance with paragraph 5.2.2 and is based on the aggregated affiliation relevant fees and commissions; or
- 5.2.6.3 a combination of the alternatives set out in paragraphs 5.2.6.1 and 5.2.6.2.
- 5.2.7 As soon as it becomes aware, a *registered person* must notify the *JFSC* in writing of any material limitations in its *PII* policy, including the basis on which the limitation has been applied, in respect of matters such as:
- 5.2.7.1 an inability to obtain *PII* cover in line with the requirements of 5.2.2 or 5.2.4;
- 5.2.7.2 any territory in which business is or may reasonably be expected to be conducted;
- 5.2.7.3 any exclusions applied by way of endorsements; and
- 5.2.7.4 any retroactive date applied to the *PII* policy.
- 5.2.8 A *registered person* that is ceasing to conduct trust company business is required to arrange for appropriate "run off" *PII* cover in respect of claims arising from past acts or omissions. The level of such cover requires the *JFSC's* consent as part of a cessation of business plan.
- 5.2.9 A *registered person* must have adequate procedures in place to ensure compliance with all terms and conditions set out in its *PII* policy, particularly in relation to the timely notification of events by the *registered person* to its insurer, which may lead to a claim on the policy.

Notes:

1. *With respect to 5.2.2.1 and 5.2.2.2, “relevant fees and commissions” for PII purposes is gross income paid or payable to the registered person, which is fees, commission, brokerage, or other relevant income arising from professional business activities (regulated or not) covered under the PII policy. This applies for the last accounting year before the start or renewal of the policy, or as per the business plan for new applicants.*
2. *With respect to 5.2.7, “as soon as it becomes aware” applies from the point at which the registered person knows, or has reasonable grounds for believing, that any of the matters stated has occurred or may be about to occur, even where it is outside the control of the registered person.*
3. *The JFSC has issued a guidance note on professional indemnity insurance, available from the policy statements and guidance notes page of the JFSC website, which a registered person may find helpful when considering the PII requirements. Specifically,*
 - (a) *with respect to the material limitations notifications required by 5.2.7, paragraph 2.1 of the guidance note provides a list of exclusions and limitations that the JFSC considers standard and therefore fall outside of the notification requirement; and*
 - (b) *paragraph 6.3.2 of the guidance note highlights the information to be submitted to the JFSC when requesting a variance to enter into a self-insurance arrangement.*
4. *With respect to PII cover for an affiliation, this may be arranged by the affiliation leader for the whole affiliation.*
5. *With respect to 5.2.8, the JFSC will generally expect to see “run off” PII cover covering a minimum period of twelve months.*

6 A registered person must deal with the JFSC in an open and co-operative manner.

Notes:

1. *There is a need for candour and co-operation in a registered person's relationship with the JFSC. Article 28(3) of the FS(J)L provides that a registered person or formerly registered person shall be guilty of an offence if he or she fails to provide the JFSC with any information in his or her possession, knowing or having reasonable cause to believe that or being reckless as to whether –*
 - (a) *the information is relevant to the exercise by the JFSC of its functions under the FS(J)L in relation to the registered person or formerly registered person; and*
 - (b) *the withholding of the information is likely to result in the JFSC being misled as to any matter which is relevant to and of material significance for the exercise of those functions in relation to the registered person or formerly registered person.*
2. *The scope of Principle 6 is extended to the provision of information and the notification of events concerning non-regulated activities and other members of the corporate group, to the extent that such information or events might reasonably be expected to have a material impact on the registered person in Jersey.*
3. *Notification to the Companies Registry does not constitute notification to the JFSC for the purposes of this Principle.*
4. *The JFSC considers that the obligations of a registered person under this Principle include the timely provision of data required in connection with a registered person's regulatory fees and the timely payment of fees due.*

General Notifications

- 6.1 *A registered person must advise the JFSC in writing as soon as it becomes aware of any matter that might reasonably be expected to affect its registration or be in the interests of its customers to disclose. Wherever possible this notification must include details of the steps the registered person has taken, or intends to take, to mitigate the matter.*
- 6.2 *A registered person must comply with the notification requirements of the JFSC's policy on outsourcing as may be updated from time to time.*

Note:

1. *With respect to 6.1, "as soon as it becomes aware" applies from the point at which the registered person knows, or has reasonable grounds for believing, that any of the matters referred to have occurred or may be about to occur, even where it is outside the control of the registered person. The JFSC considers the following indicative that notification is necessary. Any matter which:*
 - (a) *is material to the JFSC's ability to undertake its function of supervision of financial services provided in or from within Jersey;*
 - (b) *the registered person considers is material to, or may make it impractical for it to comply with, one or more of:*

- i. the provisions of the FS(J)L or any Regulation or Order made under it;*
- ii. compliance with a registration condition;*
- iii. compliance with a direction issued by the JFSC;*
- iv. the Code;*
- v. the fitness and propriety of its principal persons, key persons or trust company business employees, especially where the registered person has imposed a formal disciplinary measure or sanction.*

Notes:

1. *With respect to 6.4, the JFSC considers*
 - (a) *“a reasonable time” to be five business days; and*
 - (b) *that “becoming aware” applies from the point at which the registered person knows, or has reasonable grounds for believing, that any of the matters stated has occurred or may be about to occur, even where it is outside of the control of the registered person.*
2. *With respect to 6.4.1, a full outline of the matters that must be addressed within the COBP is available from the JFSC upon request.*
3. *With respect to 6.4.18, it should be noted that private trust company business is defined in the Financial Services (Trust Company Business (Exemptions)) (Jersey) Order 2000 as meaning:*

7 A registered person must not make statements that are misleading, false or deceptive.

- 7.1 A registered person must take reasonable steps to ensure that its financial service advertisements (**advertisements**) are not misleading, false or deceptive. - 7.2.1 a statement, promise or forecast unless the *registered person*, at the time the *advertisement* is made has reasonable grounds for believing, is not misleading, false or deceptive;

Notes:

1. *Article 1 of the FS(J)L defines a "financial service advertisement" as an advertisement containing – (a) an invitation to transact financial service business; or (b) information which is intended or might reasonably be presumed to be intended to lead directly or indirectly to the transaction of financial service business, and includes any means of bringing such an invitation or such information to the notice of any person, and a reference to an advertisement shall be construed accordingly. It is the JFSC's view that this definition covers written, broadcast and oral advertisements.*
2. *For the purpose of Principle 7, "written" and "broadcast" have the same meaning as provided by Article 1 of the Financial Services (Advertising) (Jersey) Order 2008.*
3. *Under Article 39L of the FS(J)L, it is an offence for any person to knowingly or recklessly make a misleading, false or deceptive statement, promise or forecast for the purpose of inducing another person to enter into, or to refrain from entering into, an agreement for the provision of financial service business.*
4. *The requirements in Principle 7 are not intended to capture advertising or promotional literature forwarded by the registered person to its customers on behalf of third parties.*
5. *Advertisements that meet the exempt criteria set out in Article 2(2) of the Financial Services (Advertising) (Jersey) Order 2008 are also exempt from the requirements of Principle 7.*
6. *For the avoidance of doubt, the FS(J)L does not require advertisements to be approved by the JFSC and accordingly the JFSC would not normally contribute to any review or vetting process. In serious cases, however the JFSC will consider exercising its powers of direction to have an advertisement amended or withdrawn.*
7. *It may not be possible or practicable to list within an advertisement all areas of risk that might apply to a particular product or service. Similarly, it may not be possible or practicable to specify all of the relevant terms and conditions. The necessary extent to which the risk warnings and the terms and conditions are specified in an advertisement will be dependent upon the nature of the products or services being advertised.*
