

Jersey Financial Services Commission

27 MAY 2010

CHANGES TO THE COMMISSION'S WEBSITE - PERSONAL QUESTIONNAIRE AND FORMS

The Commission has undertaken a review of the Personal Questionnaire Form and Associated Guidance Notes and as a result has today published a new package of Personal Questionnaire documents. At the same time the Commission has taken the opportunity to revise the way in which its Website is set out in relation to Forms.

The Personal Questionnaire package now comprises the Personal Questionnaire Guidance Notes and three forms:

- the Personal Questionnaire Form;
- the Personal Questionnaire: Additional Appointments Form; and
- the Personal Questionnaire: Ceasing to Act as Principal Person/Key Person Form.

To date, Commission Forms relating to registration and supervision matters have been available from separate specific pages. These pages have been rationalised and augmented by a combined single "one-stop shop" page to aid navigation.

This "one-stop shop" page (please [click here](#)) is sub-divided into two categories:

1. "General Application" - Forms which have general application and may be of interest to all persons; and
2. "Sector Specific" - Forms which relate to entities regulated or supervised by the Commission under one of the four Supervisory Laws¹ or for the purposes of countering money laundering and the financing of terrorism.

In addition to the "one-stop shop" page there are now sector specific "Forms" pages which replace the individual Guide to application and fees (and associated sub level) pages previously available from the Divisional dropdown menus on the Website. To access the sector specific pages please use the blue navigation bar, situated under the Commission logo at the top of each webpage.

If you notice any broken links on webpages or in documents following these changes, then please notify the Commission by emailing info@jerseyfsc.org.

¹ The collective name for the: Banking Business (Jersey) Law 1991; Collective Investment Funds (Jersey) Law 1988; Financial Services (Jersey) Law 1998; and Insurance Business (Jersey) Law 1996.
