The Enforcement Division's Annual Lunchtime Seminar for Regulated Businesses

Friday 8 November 2013

Jersey Financial
Services Commission

Our annual seminar will take place on Friday 8 November 2013 between 12:00 and 14:00 in the Assembly Room of the Town Hall. (A sandwich lunch will be provided from 12:00 and the first presentation commences at 12.30pm.)

Speakers will provide an overview of current issues, emerging trends and practical guidance. In addition, further to feedback from last year's seminar, there will be a panel discussion providing an opportunity to ask questions. These may be submitted in advance or on the day.

Previous events have been very well attended. As space is limited we have decided to restrict attendance to no more than **four representatives from each regulated business**. Places will be allocated on a first come, first served basis.

Copies of slides used during the presentation will be made available on the Commission's Website following the seminar.

To make the session as interactive and relevant as possible, please include any questions for the panel, or any particular topics you would like to be addressed, in your booking email. We do hope this provides participants with an opportunity to raise as many questions as possible. In this regard, please note your details will be kept confidential: We shall not, unless requested otherwise, reveal the identity of the business raising any written questions.

RESERVATIONS

To secure a place, please email c.syvret@jerseyfsc.org by **Friday 11 October 2013** with your name, job title, email address and the name of the regulated business¹. Do not forget to include any questions or topics of interest in your email.

As in previous years, there will be no charge for the seminar but there will be a collection in aid of a local charity.

We look forward to receiving your questions and to seeing you at the seminar.
