3 Calculation notes – overseas operations

- 3.1 The component referred to in paragraphs 2.1.1, 2.1.2, 2.1.3 or 2.1.4 of the annual fee calculation shall be calculated on the basis of the factors mentioned in each sub-paragraph:
- 3.1.1 in the case of a person not registered under the Law at the time when the application is made (or of a person registered under the Law at that time, but whose business to which the application relates has not started operations at that time), as the person expects the factors to be when the business of the person to which the application relates starts operations; or
- 3.1.2 in any other case, as the factors are when the application is made.
- 3.2 If a new operation leads to a factor relevant to 2.1.1, 2.1.2, 2.1.3 or 2.1.4 of the annual fee calculation subsequently increasing before the end of the registration period, the registered person should calculate a revised annual fee, being the incremental sum of the relevant components, pro rata reduced, being one twelfth of the incremental sum multiplied by the number of whole or part calendar months between the date of opening and the end of the registration period.
- 3.3 For the purposes of this notice:
- 3.3.1 a territory is taken to be a country if the territory is co-extensive with a discrete jurisdiction concerned with the supervision of deposit-taking business;
- 3.3.2 Jersey is a country;
- 3.3.3 Guernsey is a country and Alderney and Sark are parts of that country;
- 3.3.4 the Isle of Man is a country;
- 3.3.5 each member state (however described) of the following federations is taken to be a separate country:
- 3.3.5.1 the United Arab Emirates; and
- 3.3.5.2 the United States of America.

4 Calculation notes – “Consolidated Income”

- 4.1 The Consolidated Income referred to in paragraph 2.1.5 of the annual fee calculation must be calculated as the higher of the total income and the “Deemed Income” of the person. The total income means the total income of the registered person arrived at in accordance with prudential reporting guidance. This must be calculated on a consolidated basis if the registered person has banking subsidiaries or on a solo basis otherwise. The total income must be that calculated for the relevant period, being:
- 4.1.1 in the case of a person not registered under the Law at the time when the application is made, the total income that the person expects to report for the calendar year starting at midnight on 31 December following the making of the application (whether the application relates to that year or to another period);

- 4.1.2 in the case of a person registered under the Law at the time when the application is made whose business to which the application relates did not operate for the whole of the year ending at midnight on 31 December in the year preceding the making of the application, the total income that the person expects to report for the calendar year starting at midnight on 31 December following the making of the application; or
 - 4.1.3 in any other case, the total income for the calendar year ending on 31st December preceding the making of the application.
- 4.2 The Deemed Income of a registered person means an amount equal to 0.1% of its total assets plus the amount of its total operating expenses, each arrived at in accordance with prudential reporting guidance. The components must be calculated on a consolidated basis if the registered person has banking subsidiaries or on a solo basis otherwise. The components must be those calculated for the relevant period, being:
- 4.2.1 in the case of a person not registered under the Law at the time when the application is made:
 - 4.2.1.1 total operating expenses: the calendar year starting at midnight on 31 December following the making of the application; and
 - 4.2.1.2 total assets: as at the end of that period;
 - 4.2.2 in the case of a person registered under the Law at the time when the application is made whose business to which the application relates did not operate for the whole of the year ending at midnight on 31 December in the year preceding the making of the application:
 - 4.2.2.1 total operating expenses: the calendar year starting at midnight on 31 December following the making of the application; and
 - 4.2.2.2 total assets: as at the end of that period; or
 - 4.2.3 in any other case:
 - 4.2.3.1 total operating expenses: the calendar year ending on 31 December preceding the making of the application; and
 - 4.2.3.2 total assets: as at the end of that period.
- 4.3 For the avoidance of doubt, it is hereby stated that the total income, total operating expenses and total assets of a registered person includes all income, operating expenses and assets of the registered person and not just those relating to its deposit-taking business.

5 Reduced annual fee for applications in respect of a partial year

- 5.1 If an application is made in respect of a period of less than a year, the annual fee may be pro rata reduced, being one twelfth of the annual fee multiplied by the number of calendar months that the application spans in whole or in part.

6 Reduced application fee for registration for business continuity

- 6.1 This section applies if the Commission is satisfied that:
- 6.1.1 a person who is applying for registration under Article 9 of the Law is a member of the same group of companies as another person who is registered under that Article;
 - 6.1.2 the first person is applying for registration so as to be able to use the other person's business facilities in Jersey for, but only for, the purpose of business continuity; and
 - 6.1.3 at the time when the application is made, the first person is not registered under the Law.
- 6.2 This section applies whether or not the applicant's business operations in a place where they are normally carried on outside Jersey have already been disrupted in that other place.
- 6.3 Where this section applies, the part of the prescribed fee for the purposes of Article 9(1) of the Law shall be reduced by 50 per cent.

7 Reduced annual fee where registration is for business continuity

- 7.1 This section applies if the Commission is satisfied that a person is or is to be registered under Article 9 of the Law for, but only for, the purpose of business continuity in the event of the future disruption of the person's business operations in a place where they are normally carried on outside Jersey.
- 7.2 Where this section applies, the part of the prescribed fee for the purposes of Article 9(1) of the Law shall be reduced by 50 per cent.
- 7.3 However, if in the course of a period for which the annual fee is payable:
- 7.3.1 disruption of the person's business operations in a place where they are normally carried on outside Jersey actually occurs; and
 - 7.3.2 the person begins to carry on operations in Jersey for the purpose of business continuity,
- the balance of the annual fee for that period shall become payable.

8 Refund of annual fee

- 8.1 The Commission must refund to an applicant the annual fee paid in accordance with the Law if the application:
- 8.1.1 is refused; or
 - 8.1.2 withdrawn by the applicant before it is granted or refused.
- 8.2 If an application for registration is refused, the annual fee shall not be refunded until after:
- 8.2.1 the expiration of the period within which, under Article 18 of the Law, notice of appeal may be given; or
 - 8.2.2 if notice of appeal is given, the appeal is determined or abandoned.

9 Late payment of fees

9.1 The annual fee is payable:

9.1.1 in the case of a person not registered under the Law at the time when the application is made, as and when such application is granted; and

9.1.2 in the case of a person registered under the Law at the time when the application is made, by 31 October in the year preceding the date of re-registration.

9.2 If a registered person fails to pay the whole or any part of a fee on or before the date it becomes due the person shall be liable to pay, unless otherwise agreed by the Commission, an additional late payment fee of 5% of the amount unpaid for each complete month that it remains unpaid.

10 Late filing fees

10.1 If a registered person fails to file or deliver any document to the Commission under the provisions of the Law or under the provisions of any Order issued in accordance with the Law on or before the date that the document becomes due, the registered person shall be liable to pay a fee of £100 for each complete month or part thereof that the document remains un-filed or undelivered unless the person has given the Commission prior written notice of the reasons for the late filing or delivery of a document and the Commission has agreed in writing that the filing may be late. Any such later agreed date shall become the due date for the purposes of the calculation and the payment of late filing fees.
