1 Consultation

1.1 Basis for consultation

1.1.1 The JFSC is issuing this consultation paper in accordance with Article 8(3) of the Commission Law, under which the JFSC “may, in connection with the carrying out of its functions... consult and seek the advice of such persons or bodies whether inside or outside Jersey as it considers appropriate”.

1.1.2 In addition, Article 15(3) of the Commission Law, requires that before the JFSC may introduce and publish any fee:

“[T]he Commission must first publish a report that must include:

- (a) details of the duty or power for or in respect of which the fee is to be determined;
- (b) details of the proposed fee;
- (ba) details of the extent (if any) to which any penalties received have reduced the level of fee that would otherwise have been proposed;
- (c) a request for comments on the level of the proposed fee; and
- (d) a date, that is at least 28 days after the publication of the report, before which those comments may be made to the Commission”.

1.1.3 The JFSC considers that this consultation paper constitutes such a report as required by the Commission Law.

1.2 Who will be affected by the proposed changes?

1.2.1 These amendments to fees will affect any person applying for, or having already been granted a registration, certificate, permit, consent or exemption under the:

- 1.2.1.1 Financial Services (Jersey) Law 1998, as amended, in respect of fund services business;
- 1.2.1.2 Alternative Investment Funds (Jersey) Regulations 2012;
- 1.2.1.3 Financial Services (Investment Business (Qualifying Segregated Managed Accounts – Exemption)) (Jersey) Order 2014;
- 1.2.1.4 Control of Borrowing (Jersey) Order 1958;
- 1.2.1.5 Collective Investment Funds (Jersey) Law 1998, as amended.

1.3 Responding to the consultation

1.3.1 The JFSC invites comments, in writing, from interested parties on the content of this consultation paper.

1.3.2 Comments should be received by either Jersey Finance Limited or the JFSC no later than 8 June 2018.

1.4 Next steps

1.4.1 Following this consultation, the JFSC will publish feedback and the final fees notices later in June. Firms will be notified when their invoices are ready via the myJFSC portal.

2 The JFSC

2.1 Overview

- 2.1.1 The JFSC is a statutory body corporate established under the Commission Law. It is responsible for the supervision and development of financial services provided in or from within Jersey.
- 2.1.2 Article 15(2) of the Commission Law provides that fees set by the JFSC are to be retained and must, together with any other income:
 - 2.1.2.1 raise sufficient income to meet the JFSC's liabilities;
 - 2.1.2.2 cover the JFSC's expenses; and
 - 2.1.2.3 provide a reserve for the JFSC of such amount as it considers necessary.

2.2 The JFSC's functions

- 2.2.1 Article 5 of the Commission Law prescribes that the JFSC shall be responsible for:
 - 2.2.1.1 the supervision and development of financial services provided in or from within Jersey;
 - 2.2.1.2 providing the States, any Minister or any other public body with reports, advice, assistance and information in relation to any matter connected with financial services;
 - 2.2.1.3 preparing and submitting to the Minister recommendations for the introduction, amendment or replacement of legislation appertaining to financial services, companies and other forms of business structure;
 - 2.2.1.4 such functions in relation to financial services or such incidental or ancillary matters:
 - › as are required or authorised by or under any enactment, or
 - › as the States may, by Regulations, transfer; and
 - 2.2.1.5 such other functions as are conferred on the JFSC by any other Law or enactment

2.3 Guiding principles

- 2.3.1 Article 7 of the Commission Law provides that in exercising its functions the JFSC may take into account any appropriate matter, but that it shall have particular regard to:
 - 2.3.1.1 the reduction of the risk to the public of financial loss due to dishonesty, incompetence or malpractice by, or the financial unsoundness of, persons carrying on the business of financial services in or from within Jersey;
 - 2.3.1.2 the protection and enhancement of the reputation and integrity of Jersey in commercial and financial matters;
 - 2.3.1.3 the best economic interests of Jersey; and
 - 2.3.1.4 the need to counter financial crime in both Jersey and elsewhere.

3 Proposals

3.1 Proposed fee rate increases

- 3.1.1 In line with the approach to fees set out over the last couple of years, the JFSC proposes to increase FSB, AIF and CIF fee rates (including the fee cap) by 3.6% (the most recent annual rate of Jersey inflation prior to publication).
- 3.1.2 The JFSC proposes to increase CoBO fee rates by 3.6% with the exception of JPF annual fees which the JFSC proposes to increase by 100%.
- 3.1.3 The JFSC proposes to increase QSMA fees by 7.5% in line with the proposals set out in last year's fees consultation.
- 3.1.4 We also propose to alter the wording relating to late payment of fees to make clear that interest becomes payable from the due date.
- 3.1.5 No penalties have been received which would reduce these fees.
- 3.1.6 Draft fees notices reflecting the proposals can be found in Appendices B to F .
- 3.1.7 As in 2017, fees will be administered via firms' myJFSC portal accounts. Firms will receive an email prompt to notify them that an invoice is awaiting payment.

3.2 Fee proposals

- 3.2.1 In Consultation Paper No.2 2016, the JFSC explained its intention to increase the amount of regulatory fees collected from industry by 15% above their 2015 level by 2019. We explained cost drivers, including the need to recruit, maintain and train effective regulatory staff in a competitive market environment.
- 3.2.2 With regard to fund and associated fees, we set out that this would mean collecting the following amounts of money from the sector, above the £4,850,000 collected in 2015:

2016/17	£5,189,500 (being £4,850,000 + 7%)
2017/18	£5,432,000 (being £4,850,000 + 12%)
2018/19	£5,577,500 (being £4,850,000 + 15%)

- 3.2.3 In respect of CIF and FSB fees, the key charging mechanism continues to be the number of pools of assets. There has been a continued decline in the number of pools of assets despite increases in the total assets under management. The impact of this is that higher fee rates (applying to the reduced pool numbers) are required to realise the same level of actual fees.
- 3.2.4 During the 2016/17 fee year this was most pronounced resulting in the JFSC implementing a 19% increase in fee rates in order to approach the target income for the fee year 2017/18.
- 3.2.5 There has continued to be a decline in pools of assets, which means that increasing the fee rates by 2.7% for 2018/19 (envisaged as a possibility in last year's consultation dependent on numbers of asset pools) will not raise the desired amount of fees for the year. So instead we propose to increase fee rates by 3.6%, which is equal to the most recently published Jersey Retail Prices Index (December 2017).

- 3.2.6 In our feedback on Consultation Paper No.2 2017 the JFSC committed to being open to industry proposals to change the basis on which fees were charged, given the ongoing decline in the number of pools of assets, even while the total value of assets under management has increased (i.e. there are fewer funds, but they are larger). To that end, we provided aggregate data to the industry to help them assess new funding models.
- 3.2.7 No agreed alternative to the current charging methodology has yet been put to the JFSC, so the existing approach will be used for 2018/19. The JFSC remains open to discussions on this subject.
- 3.2.8 JPF annual fees were set at £500 in 2017 which was the first year in which the fees fell due. In terms of funds launched, the JPF has been a great success, with over 100 established. In order to increase the stability of our revenue base and to reflect some potential knock-on reduction in the use of Expert Funds, as well as provision of resource to carry out appropriate supervisory activity, we are proposing that the JPF annual fee should increase to £1,000.
- 3.2.9 Finally, it is proposed to increase QSMA fee rates by 7.5%, for 2018/19, as envisaged in last year's consultation.
- 3.2.10 Fee rates will be rounded to the nearest £5.

3.3 Questions

- 3.3.1 Do you agree with the proposed fee rate changes consulted on in this paper?
