1 Executive Summary

1.1 Overview

- 1.1.1 In July 2018 the JFSC issued Consultation Paper No.5 2018, Insurance Business Fees, which sought views on proposals to change fee rates.
- 1.1.2 No responses to the consultation were received, either by the JFSC directly or by JFL.
- 1.1.3 We are therefore proceeding to implement the fee rate changes (and changes to the wording around late fees) as consulted on. The final fees notice can be found in Appendix A and on our website.
- 1.1.4 We have also made a change to the wording concerning when a fee will be payable regarding an insurance business transfer. This clarifies both the timing of the fee and that the liability for the fee does not depend upon documentation being submitted to the JFSC. We believe this amendment does not need a separate consultation as it is in keeping with the original policy intention of the transfer fee (introduced following consultation in 2017).

1.2 Next Steps

- 1.2.1 The revised fees notice will take effect from 1 October 2018.
- 1.2.2 Relevant firms will receive notification via the myJFSC portal that an invoice is ready for them. If payment is not made by 31 October, then late fees may be incurred as detailed in the fees notice.

the permit holder has given the JFSC prior written notice of the reasons for the late filing or delivery of a document and the JFSC has agreed in writing that the filing may be late. Any such later agreed date shall become the due date for the purposes of the calculation and the payment of late filing fees.
