1 Consultation

1.1 Basis for consultation

- 1.1.1 We are issuing this consultation paper in accordance with Article 8(3) of the Commission Law, under which we “may, in connection with the carrying out of its functions [...] consult and seek the advice of such persons or bodies whether inside or outside Jersey as it considers appropriate”.
- 1.1.2 In addition, Article 15(3) of the Commission Law, requires that before we can introduce and publish any fee:
- “[T]he Commission must first publish a report that must include:
- › details of the duty or power for or in respect of which the fee is to be determined;
 - › details of the proposed fee;
 - › details of the extent (if any) to which any penalties received have reduced the level of fee that would otherwise have been proposed;
 - › a request for comments on the level of the proposed fee; and
 - › a date, that is at least 28 days after the publication of the report, before which those comments may be made to the Commission”.
- 1.1.3 Article 15(4) of the Commission Law provides that should we and a Representative Body be unable to agree a fee that we must request the Bailiff to appoint three Jurats to consider if the fee proposed is unreasonable.
- 1.1.4 We consider that the proposed fee rates are reasonable and that this consultation paper constitutes such a report as required by the Commission Law.

1.2 Who will be affected by the proposed changes?

- 1.2.1 The amendments to fees will affect any person applying for, or having already been granted a registration, certificate, permit, consent or exemption under the:
- › Alternative Investment Funds (Jersey) Regulations 2012;
 - › Collective Investment Funds (Jersey) Law 1988, as amended;
 - › Control of Borrowing (Jersey) Order 1958;
 - › Financial Services (Investment Business (Qualifying Segregated Managed Accounts – Exemption)) (Jersey) Order 2014; and
 - › Financial Services (Jersey) Law 1998, as amended, in respect of Fund Services Business (FSB) and Alternative Investment Fund Management Business (AIFSB).

1.3 Responding to the consultation

- 1.3.1 We invite comments, in writing, from interested parties on the content of this consultation paper.
- 1.3.2 Comments should be received by either Jersey Finance Limited or back to us no later than **24 June 2022**.

1.4 Next steps

- 1.4.1 Following this consultation, we will publish feedback and the final fees notices in June. Fees will be administered via myJFSC. Businesses will receive an email prompt to notify them that an invoice is awaiting payment.

2 The JFSC

2.1 Overview

- 2.1.1 We are a statutory body corporate established under the Commission Law. We are responsible for the supervision and development of financial services provided in or from within Jersey.
- 2.1.2 Article 15(2) of the Commission Law provides that fees set by the JFSC are to be retained and must, together with any other income:
- › raise sufficient income to meet our liabilities;
 - › cover the orgnaistaions expenses; and
 - › provide a reserve for such amount as it considers necessary by the organisation.

2.2 The JFSC's functions

- 2.2.1 Article 5 of the Commission Law prescribes that we shall be responsible for:
- › the supervision and development of financial services provided in or from within Jersey;
 - › providing the States, any Minister or any other public body with reports, advice, assistance and information in relation to any matter connected with financial services;
 - › preparing and submitting to the Minister recommendations for the introduction, amendment or replacement of legislation appertaining to financial services, companies and other forms of business structure;
 - › such functions in relation to financial services or such incidental or ancillary matters:
 - as are required or authorised by or under any enactment, or
 - as the States may, by Regulations, transfer; and
 - › such other functions as are conferred on the JFSC by any other Law or enactment.

2.3 Guiding principles

- 2.3.1 Article 7 of the Commission Law provides that in exercising its functions, we may take into account any appropriate matter, but that it shall have particular regard to:
- › the reduction of the risk to the public of financial loss due to dishonesty, incompetence or malpractice by, or the financial unsoundness of, persons carrying on the business of financial services in or from within Jersey;
 - › the protection and enhancement of the reputation and integrity of Jersey in commercial and financial matters;
 - › the best economic interests of Jersey; and
 - › the need to counter financial crime in both Jersey and elsewhere.

3 Proposals

3.1 Proposed fees

- 3.1.1 In order for us to obtain sufficient funding to carry out our supervisory objectives and to ensure its ongoing financial resilience, the orgnaistaion needs to raise £7.496m in fees from the funds sector in 2022.
- 3.1.2 Whilst our funding target has remained constant, headline fee rates will be subject to an increase of 5% above RPI to compensate for changes we are seeing in the funds sector, specifically a reduction in the number of asset pools and a small reduction in the number of FSBs.
- 3.1.3 The Commission Law contemplates increases to fees in line with RPI, which was recorded as 6% in March 2022. However, the cost of regulation continues to rise well in excess of this metric.

3.2 Regulatory fee proposals

- 3.2.1 Despite inflationary pressures, our ongoing focus on cost control has resulted in a funding requirement for 2022 with only a marginal increase on the 2021 levels. However, a reduction in some of the key metrics used to calculate the fees, specifically a reduction in the number of asset pools and a small reduction in the number of FSBs, means an increase of 5% above RPI in the headline fee rate is required.
- 3.2.2 The proposed fee increase would apply to all fund sectors (FSB, AIF and CIF, Jersey private fund (JPF), Control of Borrowing Order (CoBO) and qualifying segregated managed accounts (QSMA)).
- 3.2.3 Draft fees notices reflecting the proposals can be found in Appendices B to F.

3.2.4 **Question: Do you agree with the proposed fee increase of 5.0% above RPI ?**

3.3 Fees for change of control

- 3.3.1 There is a reasonable volume of transactional activity where FSBs are bought or sold. These transactions do not currently incur a fee, but do require supervisory effort in reviewing the transaction and determining whether to provide a “no objection” response.
- 3.3.2 The 2021 consultation included the proposal to introduce fees for these transactions, however following feedback was not implemented. In order to promot a user pays environment & bring the Funds fees in line with the other industry sectors, it is proposed to introduce these fees for 2022.
- 3.3.3 It is proposed to introduce a fee for transactions where an FSB applies to acquire a Registered Person. Such fees would be at the same level as for an application to carry on a fund services business, and would carry a £1,000 premium for Registered Persons in heightened supervision or enforcement.

3.3.4 **Question: Do you agree with the proposed fee in respect of a change of control?**

- 2.2 Subject to paragraph 2.3, the fee due from an operator in respect of the initial charging period shall be £5,360.
- 2.3 If the date on which reliance is first placed by an operator on Article 3(1) of the QSMA Order is other than 1 July, the fee payable by that operator in respect of the initial charging period shall

- 2.4 The due date for a fee in respect of the initial charging period due from an operator pursuant to paragraphs 2.2 or 2.3 shall be the date on which reliance was first placed by the operator on Article 3(1) of the QSMA Order.

- 5.1 For the avoidance of doubt, no fee rebate or refund shall be due to an operator in the event that, having paid a fee in respect of a charging period, the operator subsequently ceases to place reliance on Article 3(1) of the QSMA Order within the charging period.
