

# Guide to integrity checking your Section I risk-based supervision data

## 1 Introduction

- 1.1 This guide is intended to assist reporting entities perform a “sense check” on the completed Section I – Global Footprint Excel workbook prior to submitting it to us by highlighting the:
  - 1.1.1 mandatory questions (section 2); and
  - 1.1.2 relational questions (section 33).
- 1.2 On submission of your Section I Excel workbook, you will receive an automated email confirming your submission. If any of the mandatory questions set out in section 2 below have not been answered, these will be set out within the automated email. Should you not receive an email please contact [myjfsc@jerseyfsc.org](mailto:myjfsc@jerseyfsc.org) as there may be an issue with your submission.
- 1.3 Please note that whilst your submission may be successfully received by us, you may be contacted by a member of the Supervision division to discuss your data if any relevant questions remain unanswered, or there are material variances against last year’s submission.
- 1.4 To limit the number of “failed” submissions, reporting entities are advised to consider sections 2 and 33 of this guide before submitting their data.
