

## JFSC help raise more than £2,300 for Children in Need

Staff at the Jersey Financial Services Commission (JFSC) have raised more than £2,300 for Children in Need.

Pudsey Bear (aka our Chief Operating Officer, Mike Jeacock) braced the wind and the rain on Friday visiting a number of local businesses to raise money to support children across the UK and in Jersey.

Staff also took part in a number of activities during the day including a dress down day and photo opportunities with Pudsey.

JFSC Chief Operating Officer, Mike Jeacock commented:

“We are delighted to have raised so much money with the help of JFSC staff and local businesses. The amount raised will be able to fund projects to support disadvantaged children and young people across the UK and in Jersey. Having raised such a fantastic amount has certainly made the muddy paws worth every penny”.
