## JFSC launches new Fee Registrations web portal for TCBs on 2 March

The Jersey Financial Services Commission's (JFSC) new web portal, has, among other things, been designed to facilitate the collection of annual fees. The annual fee process for Trust Company Businesses (TCBs) will go live on 2 March 2016.

Called myJFSC, the portal will give companies advance notification of their annual fees and assist with calculating and processing fees. TCBs will be given access to the portal and will consequently be informed of fees payable.

Invitations to set up a myJFSC account will be sent **by email** to Compliance Officers and Sole Traders only on 2 March 2016. Additional invitations will not be issued to any other staff members of a Registered Person at this time. **For security reasons, the invitations will expire after five days.**

As soon as portal accounts have been activated Fee Forms will be made available through the portal and payments can be made.

Payment should be made electronically and banking details will be provided through the portal. The JFSC will no longer be accepting cheques for annual fees after this date.

**All fees should be paid by 31 March 2016.**

Fee notices will remain on the Commission's website but all fee registration forms have been removed. More information on the data submission component of the TCB Annual Registration Fee process will be made available on the JFSC website and/or the JFSCPortal at a later date.
